

Tom Patterson

PARTNER, VICE PRESIDENT

+ ABOUT

As Vice President for Harris Associates, Tom has overseen the planning and construction of hundreds of millions of dollars' worth of hospitality, commercial, industrial, and educational K-12 construction projects nationwide. His passion lies in helping his clients effectively maneuver through the construction process — from concept to completion, no matter the task. At Harris Associates, Tom coordinates business operations, develops the client base, and oversees accounting, banking relationships, insurance and bonding, human resources, and tax issues.
